Re: Fee Required for Notice of Intention to Commence Large Mining Operations, Delta Minerals, Inc. TD Mining 1 Project, M/27/0080, Millard County, Utah

Dear Mr. Peterson:

On November 16, 2000, we received your Notice of Intention to Commence Large Mining Operations (LMO) for your TD Mining 1 project. The notice is to expand the existing small mining permit to a large mine status. With our present workload, final approval for a LMO is taking from six to nine months or longer.

Before we can begin reviewing your LMO notice, we require payment of the LMO permit fee. A LMO with less than 50 acres of disturbance requires a permit fee of \$350.00 to be submitted with the initial application. Since you have already paid \$100.00 for the SMO for this 2000 fiscal year, an additional \$250.00 is required. Enclosed is a billing statement for your use. We will suspend placing your LMO notice on our review schedule until we have received the permit fee. Please submit the fee as soon as possible so this notice can be placed on the review schedule.

Sincerely,

Joelle Burns
Minerals Secretary
